

**2ND
HAWKEYE DOWNS
SHORTHORN SHOW & SALE**

CHAMPION SHORTHORN STEERS - 1953 INTERNATIONAL

**FRIDAY, MARCH 19th, 1954
CEDAR RAPIDS, IOWA**

Forward

The main purpose of the Hawkeye Downs Shorthorn Sales is to make good Shorthorns available to the breeders and commercial cattlemen from our numerous breeders of good Shorthorns in roughly the 25 to 30 counties in the eastern and northeastern sections of Iowa.

Breeders in this area are not content to use just ordinary herd bulls. Please study the pedigrees and note the rich breeding. Other breeders in the area, who were not in a position to offer cattle just now, are equally insistent on top herd sires with the best of breeding.

Seventeen bulls are being offered, all of breeding age except two March and April calves. Redominantly dark colors, prevail in the bulls. You can find a bull to suit your needs here.

Five of the cows sell with calves at foot and mostly rebred and also 8 head of bred females.

TEN HEAD OF 1953 HEIFERS WILL BE OF SPECIAL INTEREST TO 4-H and FFA CLUB MEMBERS. NOTE THE GRAND BREEDING. CLUB MEMBERS SHOULD BE ABLE TO MAKE THEIR SELECTIONS HERE FOR THEIR 1954 CLUB PROJECT.

The sale committee appointed to assist the sale manager with this sale is composed of A.T. Robinson, Logan Urice and H.E. Whitford.

The sale cattle will be shown at 9:30 A.M. and will be judged by W.N. Anderson of West Liberty, Iowa. He is nationally known as a breeder of grand champions, a showman and judge. We invite the public to be on hand early to observe his instructive work.

We invite all who are interested in good cattle to be with us sale day.

Cordially yours,

Earl S. Girton, Sale Manager

Note on the cover page picture: These finished Shorthorns were Champions of the breed at the 1953 International Livestock Show for Fred Weber & Son, Geneseo, Ill. Bought at the Denver Show in Jan. 1953 from Carnahan Bros., Elbert, Colo. They received no feed before February - a fact which reflects their performance in the feedlot. Most cattle at the International have had feed longer. They sold to High - Low Foods of Chicago @ \$35. per cwt.

PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.

A study in the practical ideal for a head of a Shorthorn bull. Note the great width between the eyes, the shortness of face, width of muzzle, the large, placid eyes, the light colored horns with fine droop. Keep this head in mind when selecting your herd bull.

M F SUPREME 5TH - Was Reserve Grand Champion bull at the 1947 American Royal Show at Kansas City. We purchased him in the Merryvale Farm Dispersion the following June at a cost of \$2600. He is the leading son of the fine imported sire, Calrossie Supreme. A half brother to M F Supreme 5th sired the winning "Get of Sire" at the 1949 Perth show. This bull has spent his entire life as a service sire in this herd. He sired two bulls that sold for \$1000.00 each at the 1951 National Show at Omaha. He sired the Grand Champion Bull and the Reserve Grand Champion Female at last fall's Hawkeye Downs Show and sale. His bull calves have averaged more than \$800. in auction sales. Very few daughters have been sold. We are offering him at this time as we are keeping 35 daughters in the herd and cannot use him to further advantage. He is gentle and a quick, sure breeder. We invite breeders who can use a tried sire of his known ability to give him consideration. He will not be shown, but sold in around 6th position in the sale. - E. G. G.

Roan steer with large white splash - Reserve Grand Champion steer over all breeds at 1951 International.

SHORTHORN SHOW & SALE

Of SPECIAL INTEREST to 4-H and F.F.A. Club Members as well as adults are the following two classes of 1953 HEIFER CALVES.

Why not IMBUE THE LOVE OF THE FARM AND FINE CATTLE INTO THE MINDS AND HEARTS OF YOUR CHILDREN by selecting one of these beautiful heifers for Club work? They are in dandy condition and possess a lot of choice breeding back of them to insure sound value in them. Many of them are of such individuality that they will make a good showing if properly fitted.

This is an unusual number of heifers to select from in a sale of this nature and we urge those desiring heifers for their Club project to be with us on sale day.

These last two classes will be shown shortly before noon-likely between 11:15 and 12:00. We hope you can be with us.

Wouldn't you like to have some heifers like the one above - of your preferred color - with a feminine head and neck, lots of depth and width with squareness and short of leg? Then look over the heifers in this sale.
